Golf for a Cure

Hemophilia of Georgia invites you to participate in a wonderful day of golf for a great cause on Tuesday, October 30, 2012. The 30th Annual Hit 'Em for

Hemophilia Golf Tournament brings together nearly 250 golfers including corporate executives, local and sports celebrities, and sponsors for a relaxing day of golf at The Manor Golf and Country Club and Echelon in Alpharetta, Georgia.

Sponsored by Hemophilia of Georgia in partnership with The Atlanta Braves, the Hit 'Em for Hemophilia Golf Tournament is recognized as one of the premier charity golfing events in the United States. Since 1982 this tournament has raised more than \$12 million for research for a cure for inherited bleeding disorders. Over the years treatment has improved but there is still no cure.

As a participant you'll not only support valuable medical research, you'll also have an exclusive opportunity to golf with Atlanta Braves players and other celebrities and to demonstrate your community support. You will enjoy a full day of golf at The Manor Golf and Country Club and Echelon, followed by an awards reception, raffle, and silent and live auctions.

Corporate sponsors at the Platinum, Gold and Silver and Bronze levels will be paired with celebrities from the Atlanta Braves and other professional sports organizations including players, alumni, managers, coaches, and announcers. Sponsoring a hole enables companies to have their company name on a pin flag at both golf courses.
