Join Us to Support Research for a Cure! Register today: [www.hog.org/golf](http://www.hog.org/golf)

### Golf for a Cure

The *Hit 'Em for Hemophilia* Golf Tournament is recognized as one of the premier charity golfing outings in the United States. Since 1982 this tournament has raised millions of dollars to find a cure for inherited bleeding disorders. Because of research, treatment has significantly improved and a cure is not far off, but funding to support this important research is critical.

### Play with the Atlanta Braves

The 33rd Annual *Hit 'Em for Hemophilia* Golf Tournament is your opportunity to play golf with current and former Atlanta Braves players and other sports celebrities on Tuesday, October 27, 2015. Enjoy local restaurant signature dishes as you make your way around the course. Whether entertaining clients or spending a day on the links with your golfing buddies, this once in a lifetime day of golf and networking, guarantees memories that last long after the event.

### Awards Reception and Auction

An awards reception at The Manor, immediately following play, will feature silent and live auctions with exclusive Atlanta Braves memorabilia and specialty sport, music, art, jewelry, and travel auction items.

Golf with former and current Atlanta Braves players.
