

2016 Trot to Clot Walk & Run Events

4/23/16 Stone Mountain · 5/14/16 Augusta · 6/4/16 Virtual

2015 was a record-breaking year for the Annual Trot to Clot Walk & Run events and 2016's Trot to Clot Walk & Run events promise to be even bigger and better!

Please help Hemophilia of Georgia raise \$80,000 for Camp Wannaklot by becoming a sponsor of the Trot to Clot Walk & Run events in Georgia at Stone Mountain Park, Lake Olmstead Stadium and a new virtual event to give participants across the country a chance to participate.

For more than 20 years, Camp Wannaklot has served as the only summer camp in Georgia that provides children who have hemophilia or other inherited bleeding disorders the opportunity to enjoy a traditional camp experience.

Unfortunately, there is no cure for these rare bleeding disorders in which a person's blood is not able to clot normally. Treatment often requires frequent infusions of medication. At Camp Wannaklot, many of the children learn to give themselves these infusions. Camp Wannaklot is a life-changing opportunity for campers to make lifelong friends, enjoy a fun-filled week and learn to manage their treatment.

Become a Corporate Sponsor

There are several opportunities for companies to support the Trot to Clot Walk & Run events by becoming a corporate sponsor. Companies will gain valuable corporate recognition in the community, demonstrate their dedication to corporate responsibility, and provide much-needed funding for Camp Wannaklot and the campers it serves. All sponsorship levels come with an array of corporate recognition opportunities and sponsorships can be customized to fit corporate marketing and responsibility goals.

Create a Trot to Clot Team

Take your dedication a step further – create a Trot to Clot team and compete against other corporations. It's a race to the finish! Select a team captain and start recruiting your family, friends, coworkers and neighbors to join you at the Trot to Clot events.

Become a Fundraiser

Become a sponsored participant and fundraise to generate support for each mile you walk or run. If you cannot participate during the events, join our virtual event and track your mileage on Pledgerunner. Simply sync your activity to Pledgerunner to support HoG.
