

What is the SRHN?

BY: ROBERT GILLESPIE, MSW, LCSW

Goals

- ▶ Define the MCHB grant funding structure
- ▶ Define NHPCC
- ▶ Define the CDC grant funding structure
- ▶ Define SRHN and RIVS
- ▶ Contrast the differences between the MCHB and CDC grants

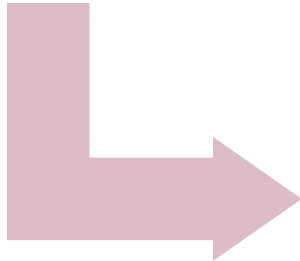

MCHB Funding Structure

Region Structure

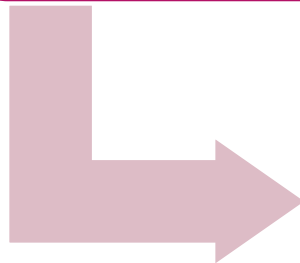

Ruth Brown
Christine Kempton
Alice Ma

- Regional Director
- Regional Medical Directors

Robert Gillespie
& Steve Humes

- Regional Co-coordinators

HTC's

- 8 states

National Hemophilia Program Coordinating Center (NHPCCC)

- ▶ American Thrombosis and Hemostasis Network (ATHN)
 - ▶ Help to standardize bleeding disorder care nationwide
 - ▶ Establish national best practices for bleeding disorder care
 - ▶ Evaluate programs

SRHN- Southeast Regional Hemophilia Network

- ▶ Under HRSA there are 8 Regional Hemophilia Networks
 - ▶ 8 states are in the SRHN
 - ▶ GA
 - ▶ AL
 - ▶ FL
 - ▶ MS
 - ▶ NC
 - ▶ SC
 - ▶ TN
 - ▶ KY

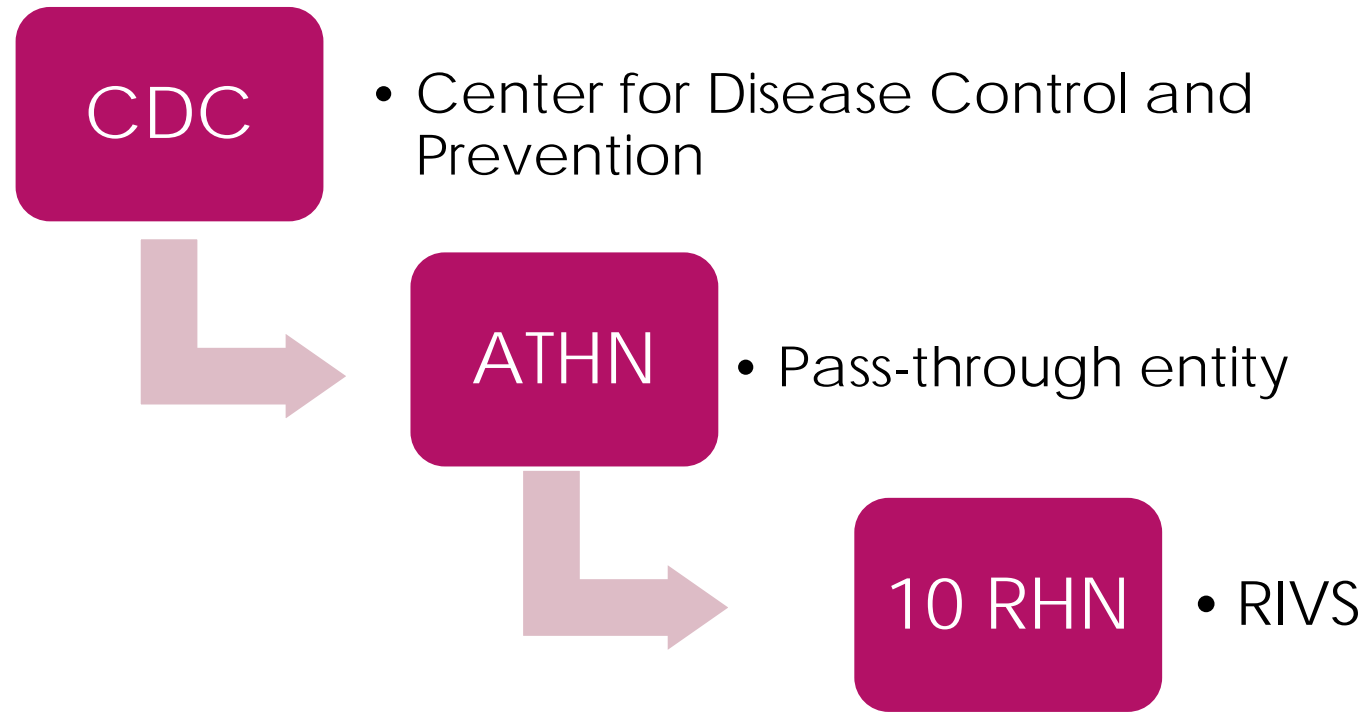

What is so important about MCHB?

- ▶ MCHB allows an HTC to register with the Office of Pharmacy Affairs as a 340B program.
- ▶ Money for hemophilia and bleeding disorders programs and services
- ▶ Without 340B funding:
 - ▶ Generally speaking, HTC's would not exist in current form

It gets more complicated???

Yes

Center for Disease Control and Prevention (CDC)

Region 4 South (RIVS)

Ruth Brown, MPH &
Christine Kempton, MD

- Regional Direct & Medical Director

Robert
Gillespie,
MSW, LCSW

- Regional Coordinator

HTC's

- 4 states

RIVS Georgia's HTC's

- ▶ AU A
- ▶ AU P
- ▶ Emory
- ▶ Savannah

RIVS Florida's HTC's

- ▶ University of Florida (Adults and Peds)
- ▶ University of Miami (Adults and Peds)
- ▶ Nemours (Peds only)
- ▶ Johns Hopkins All Children's (Peds only)
- ▶ St. Joseph's (Peds only)
- ▶ University of South Florida (Adults only)

RIVS Alabama's HTC

- ▶ University of Alabama
Birmingham

Key differences between MCHB & CDC

- ▶ MCHB- clinical care grant
- ▶ CDC- surveillance

Thank You!!!!!!!
