

Dear Hemophilia of Georgia

I'm donating 40.00 for Hemophilia. I got 20.00 from a lemonade stand with my brother Stone, but my Mom and Dad gave us 20.00 dollars more. Stone has Hemophilia, but I don't. HOG has provided great services and support to our family through your pharmacy and programs.

Sincerely,

Stones sister

P.S. I sold crafts **Chloe** and got \$8.80
