

## The Hemophilia of Georgia Pharmacy

- HoG helps everyone with bleeding disorders in Georgia. Our pharmacists are experts in hemophilia and von Willebrand Disease.
- HoG only serves clients who have bleeding disorders.
- We stock a wide range of vial sizes to best match your prescription.
- Some of the money from the pharmacy goes to help other people who have bleeding disorders.
- The HoG pharmacy offers excellent customer service.
- You can order online if you want to. Or, you can order over the telephone. When you call HoG you always speak to a live person.
- Your infusion supplies and shipping are included for free. And, your order will be shipped to you quickly.
- Outreach nurses and social workers help you learn more about living with a bleeding disorder.
- The pharmacy is accredited by the Accreditation Commission for Health Care, Inc.
- Our staff works with the Hemophilia Treatment Centers to make sure you have what you need.
- As a nonprofit pharmacy, HoG can buy clotting factor products at discounted prices.
